 In the selection of Edw.

the undersigned Citizens of the Town of
 Eden, and Residents and property owners
 at Bar Harbor, do hereby petition your
 Honorable Body to lay out and build at
 an early day, a town road or street from the
 present termination of the State road known
 as "Berlin Avenue" at the West Head west-
 wardly to the creek or cove at the summer stop
 and thence continuing in the same direction
 striking the Duck Brook Road at a point
 about near the Edg. house.

We beg also to submit for your consideration
 the fact of the rapid growth of the Harbor and
 the consequent imperative demand for dwellings
 for the accommodation of the annually increasing
 influx of visitors, bringing with them wealth,
 Capital, intelligence & permanent population.
 For this purpose the lands must be divided
 into convenient sized lots and at prices which
 will induce and encourage the building of
 dwellings. Since 1880, the rapidly increasing the
 value of the property lying on and contiguous
 to the proposed route, and at the same time
 resulting in increased income to the town
 fund tax, we rather want it to be approved
 by you as a public demonstration here.

In this connection we beg to say to our fellow
 "Honorable Body" that if the road is
 built as proposed by the town we have
 the guarantee of several gentlemen

owners of land on or over the line of the road that
 they will build at their own expense, a substantial
 and ornamental bridge across the cove, and
 present it free to the Town of Eden & Bar Harbor
 in "perpetuity". Provided the same will be
 afterwards kept the same in good safe repair
