Tax Collectors Return to the Town Clerk,  
of the proceedings regarding the sale  
of Real Estate for the non-payment of taxes.

To Samuel N. Rich, town clerk of the town of Eden,  
in the County of Hancock and State of Maine.

Pursuant to the provisions of law, I caused  
the taxes assessed on the real estate of resident  
owners or proprietors in the said town of Eden, for  
the year 1889, and that remained unpaid for  
the term of nine months from the date of the assessment  
and in the list of assessments by the assessors of said  
town committed to me the twelfth day of July, A.D. 1889,  
together with a warrant under their hands for  
the collection of the same in the form by law prescribed,  
and said taxes remaining unpaid as aforesaid,  
and whereas no person appeared to discharge the same,  
although after the expiration of said term of nine months,  
to wit: - on the twenty-first day of Nov. A.D. 1890, I gave  
notice of the non-payment of said taxes, and of my  
intention to sell so much of said real estate as would  
be necessary for the payment of said taxes, and all  
charges by posting notices thereof in the same manner  
and at the same places in said town of Eden that  
warrants for town meetings are required to be posted  
in said town six weeks before the day of sale, designating  
in said notices the name of the owner and a certain and  
plain description of said real estate, the right lot  
and range and the number of acres and the amount  
of taxes due and unpaid on each parcel of real  
estate: and I also duly lodged with the town  
clerk of said town of Eden a copy of such notice, with  
my certificate thereon, that I had given notice of the  
intended sale, as required by law, and after the said  
real estate was so advertised for sale as aforesaid,  
and at least ten days before the day of sale, I  
notified the owner and occupant thereof of the  
time and place of sale, by delivering to the owner

and occupant of the real estate so advertised, in person, or by leaving at his last and usual place of abode, a written notice signed by me, therein stating the time and place of sale and the amount of taxes due and unpaid: - and I also, in said notice so posted as aforesaid, gave notice that if no person appeared to discharge said taxes and cost of advertising on or before the second day of January A.D. 1891, at ten o'clock in the forenoon, being the time of said sale I should proceed to sell at the selectmen's office, at the Engine House in Bar Harbor in said town of Eden, being the place of sale, at public auction to the highest bidder, so much of said real estate as would be necessary to pay the taxes then due and necessary intervening charges, and afterwards in pursuance of said notice to wit:

on the second day of January A.D. 1891 at the selectmen's office in said town of Eden, being the day and place of sale, at ten o'clock in the forenoon, being the hour of sale, I proceeded to sell according to the tenor of said notices the estate upon which the taxes so assessed remained unpaid, and it became necessary to sell the whole amount of the real estate so assessed and advertised, as no person would pay the taxes and legal charges for a less amount of said real estate, and in the schedule following is set forth each parcel of the estate so offered for sale and the owner or occupant thereof, the amount of the taxes and cost and charges for which it was sold, the quantity sold and the name of the purchaser: and I have made and executed deeds of the several parcels to the purchaser, the person entitled thereto, and within four days after the day of sale to wit: on the fifth day of January A.D. 1891, I lodged with the Treasurer of said town of Eden, said deeds to be disposed of as the law requires, and also on the same day, being

within four days after the day of said sale I lodged with said Treasurer my certificate under oath designating the quantity of land sold, the name of the owner of each parcel and the name of the purchaser, what part of the amount for which each parcel was sold was taxed and what was cost and charges and also a deed of each parcel remaining to the purchaser.
