B. E. Whitney was unanimously elected moderator and was sworn by the clerk.

Article 2 - Voted: That the selectmen be instructed to refund to A. J. Lott fifteen dollars, an over assessment in 1903.

Voted: That the road commissioners be instructed to make necessary repairs on jelly Avenue.

Article 6 - E. N. Benson read the report of the committee appointed at the last annual

Town meeting to investigate the advisability of the town of Eden applying to the next legislature for a city charter.

Report of Committee.

At the annual town meeting held in March of this year the following resolution was adopted.

Resolved:- That a committee of fifteen be appointed by the moderator to investigate the advisability of the town of Eden applying to the next legislature for a city charter and that said committee report at a special town meeting to be held October 9, 1904.

B. E. Whitney as moderator of the meeting appointed as the committee -

E. N. Benson. John Suminsky. H. E. Wakefield.
Julien Emery. L. A. Austin. B. S. Higgins.
Frank Spratt. W. H. Daves. Eben M. Homer
Alonso Higgins. F. P. Pray. J. C. dynam
W. M. Roberts. Harry McFarland and
W. H. Sherman.

A meeting of this committee for the purpose of organizing was held at the Municipal Court Room on Tuesday, March 22nd 1904 -

E. N. Benson was chosen chairman and W. H. Sherman clerk.

It was voted to divide the committee into several sub-committees as follows -

Committee on Wards -

John Suminsky, H. E. Wakefield
Julien Emery, L. A. Austin and B. E. Whitney.

Committee on Officers and Expenses of a city -
B. S. Higgins. Frank Spratt, F. P. Pray, Alonso Higgins.

- 1904 -

and F. C. Lynam.

Legislative Committee.

E. N. Benson, E. M. Hamor, W. H. Sherman,
Harry M. Foulard, and W. H. Davis.

Committee on Correspondence.

F. C. Lynam, W. M. Roberts, F. P. Pray, E. M. Hamor,
and Julian Emery.

The various sub-committees took up the work assigned to them and during the spring and summer much was accomplished in getting facts, figures and opinions as to the relative merits and defects of the two forms of government. The Committee on Correspondence and also the Committee on "Officers and Expenses of a City" sent out a large number of letters to people who were in a position to give fair and unbiased opinions. The letters sent out by the "Committee on Correspondence" were not sent to Office holders, as it was thought that they might not feel like criticizing their existing form of government, but were sent to representative private citizens of the smaller cities and larger towns of Maine.

The replies received were so numerous, and many of them were of such length, that it is considered impracticable to embody them in this report. An examination of the letters will reveal the fact, however, that the opinion of those who wrote them stood in the ratio of 20 to 25 in favor of the City form of government. The figures regarding the expenses of the City government as compared with the town form were also favorable to the former especially so when the

unusual conditions existing here are taken into consideration.

Many of the letters and estimates have been published in the Record and you are no doubt familiar with their contents. An equal number, for and against the City form, were published, in order to place the matter impartially before the public.

The members of the various committees will gladly give you any information by them acquired, which is not embodied in this report.

Your Committee has also met in conference a committee from the Summer residents' association and while the non-residents had not seriously considered the matter of a city form of government, the result of these conferences seemed to convince your committee that the reforms which they advocated could best be accomplished through the medium of a city charter.

The last meeting of the general committee was held in the Municipal Court room on Saturday, September 24th. The reports of the sub-committees were carefully considered and the whole subject discussed in detail.

As the result of our investigations, we are of the opinion that the adoption of a City Charter would

First - Fix the responsibility for appropriations and expenditures instead of having so divided a responsibility as we now have at our town meetings.
Second - Form a deliberative body which the town meeting as now conducted has ceased to be.

- 1904 -

Third - Have such deliberative body ready at all times to act as emergencies arise - We believe the opposition to a city charter is largely sentimental and would quickly disappear in the better government ensuing from the adoption of a municipality.

We therefore recommend that the town of Eden apply to the next legislature for a City Charter -

Respectfully Submitted -

E. W. Benson.
 W. H. Sherman.
 Lud. C. Lynam.
 F. P. Pray.
 W. H. Davis.

Report of the Committee was laid on the table and Article 8 taken up -

Dr. Robert Amory, representing the Summer Residents Association presented the following proposals and moved that a committee of seven be appointed to consider the proposals and to report at a future meeting -

Proposals of the Summer Residents Association.

I - A Board of Assessors to be established by law of which no member of the Board of Selectmen shall be a member -

II A Board of Estimate and Appropriation to be established by law, of which no member of the Board of Selectmen shall be a member. The duties of this Board shall be to fix the amounts to be

raised by taxation, and the purposes for which they shall be used.

III In the case of new improvements - such as roads, sidewalks, sewers, lights etc. - the Board of Estimate and Appropriations shall determine whether they are of general utility or only of local benefit. In the former, the whole cost shall be paid by the town, in the latter case they shall not be constructed unless those especially benefited shall agree to pay one-half the cost. All repairs to be paid for by the Town.

IV No sum shall be appropriated in excess of the amounts recommended by the Board of Estimate and Appropriations - but the voters at the Town meeting may reduce any item recommended, or throw it out altogether -

Article 8 was then laid on the table and Article 6 taken up -

A motion to accept the report of the Committee (to apply for a City Charter) was lost.

Article 7- Voted: To indefinitely postpone -

Article 8 was then taken up and disposed of as follows -

Voted: That a Committee of seven be appointed by the Moderator to consider the proposals submitted by the Summer

1904

Residents Association, and to report at the next Annual Town meeting.

The moderator appointed as this committee, Eben M. Hamor, L. B. Deary, Martyn L. Lord, E. H. Benson, C. B. Pines, A. E. Lawrence, and John E. Clark.

Article 9- L. B. Deary representing Fred L. Floyd, presented the following offer signed by Fred L. Floyd -

To the Town of Eden -

I, Fred L. Floyd, offer to accept the sum of six hundred dollars in settlement of my claim against the town of Eden, for personal injuries received on the highway. This offer is made without prejudice in case it is not accepted. My injuries amount to very much more than the above named sum.

Signed - Fred L. Floyd -

Voted; - That a committee of seven, the board of Selectmen to be three of the seven, be appointed by the moderator to settle with Mr. Floyd if they can settle for a satisfactory amount, said amount not to exceed six hundred dollars. Mr. Deary then stated to the meeting that the offer made by Mr. Floyd was withdrawn. The Moderator appointed as the members of the committee, the Selectmen, W. H. Davis, S. J. Clement, Eben M. Hamor and Samuel N. Rich.

Voted to adjourn -
