Pursuant to the above petition and notice, both of which are expressly referred to and made a part of this return we, the undersigned, Municipal Officers of the Town of Eden, Hancock County, State of Maine, having given written notice of our intention, by posting up notices, of which the foregoing is a true copy in two public places in said town of Eden and in the vicinity of the ways, to wit one on the outer door of the blacksmith shop of Frank G. Powers and one in the store of G. W. Rich, said notices having been posted on February eighth, A.D. 1909, being at least seven days prior to the time of laying out said ways, went at the time and place specified in said notices, to wit, at the blacksmith shop of said Frank G. Powers on Monday, the fifteenth day of February, A.D. 1909, at two o'clock in the afternoon and for the purposes therein specified, and after hearing the Petitioners and all other persons interested and fully understanding the matter we determined to lay out a way for the use of said town as prayed for by said petition and we accordingly laid out said way as a town way substantially following the route described in said petition and specifically described as follows, -

Beginning at a bolt driven in the ground in the westerly side line of the road leading from Mt. Desert Narrows to Town Hill, and nearly opposite the junction with John E. Hadley Road, so-called, said point of beginning being in the northerly line of land of Melinda Quinn, thence following the said northerly line south 56° 15' west, but always following said line three hundred and sixty three feet, more or less, to a cedar post set in the ground, marking the northeast corner of land of Calvin Billington; thence on same course but always following the northerly line of said land of said Billington six hundred and fifty nine and eight tenths feet to an iron bolt driven in the ground at the top of the bank; thence on same course to high water mark of Clark's Cove, so-called.

Said way shall be twenty five feet wide and the above described line is the northerly side line

thence, said way being over land of said Melinda Quinn and said Calvin Billington.

The bearing given above is that of the Magnetic needle of date of February 15, 1909.

We also determined that no damages are sustained by any person by the laying out of said way and we therefore award no land damages.

Such laying out of said way, with the boundaries and admeasurements has been filed with the Town Clerk on the twentieth day of February, A.D. 1909, being seven days before this meeting, and we hereby report such laying out of said way with the boundaries and admeasurements of the same, to the said town, at a meeting of the inhabitants regularly convened and notified, for them to accept and allow the same.

Given under our hands, at Eden, this twentieth day of February, A.D. 1909.
